Good morning,

Below is special information about the UHRC's role and efforts during the rain event and adverse weather conditions.

On 11/28, the LAPD Central and Valley Bureau HOPE Teams conducted outreach along the LA River. The officers and LAHSA HET workers distributed the attached flood warning flyers. The LAPD Valley Bureau Off Road Motor Vehicle Unit also conducted extra patrol and outreach in Griffith Park, Ora Vista Big Tujunga Wash, and the Sepulveda Basin. The officers warned unsheltered individuals of the pending rain and distributed the attached flyer.

Brian Buchner (me) from the Mayor's Office will be the point of contact for off-hour UHRC coordination efforts at (310) 909-3433.

Matthew Tenchavez from LAHSA will be the point of contact for off-hour outreach assistance for unsheltered individuals at (213) 503-8081.

Commander Dominic Choi from the LAPD will be the off-hour contact for homelessness-related issues that need immediate attention, conference calls for situational updates, etc. at (213) 272-8042.

If there is a public safety emergency that requires an immediate LAPD or LAFD response, please call 9-1-1.

Additionally, LAHSA has secured emergency beds with Volunteers of America (VOA) to ensure there is at least one location available to take folks from along the LA River during the rain event. Below is VOA's contact information and address along with the names of staff who will be on duty throughout the night along with the contact phone number.
